Board of Directors**

Audit and Oversight Committee Charter

Approved: April 21, 2016

PURPOSE

The principal purpose of the Audit and Oversight Committee (Committee) is to:

- Assist the Board of Directors in carrying out its oversight responsibility of the:
 - (i) integrity of WEC Energy Group, Inc. and its subsidiaries' (collectively "the Company") financial statements as appropriate,
 - (ii) Company's compliance with legal and regulatory requirements,
 - (iii) independent auditor's qualifications and independence, and
 - (iv) performance of the Company's internal audit function and independent auditors; and
- Prepare the report that Securities and Exchange Commission rules require to be included in the Company's proxy and information statements.

With respect to item (i), preparation of the financial statements is the role of Company management, not the Committee. The Committee shall report all significant findings to the Board.

The Committee shall perform its committee functions for all WEC Energy Group, Inc. subsidiaries that are registered companies pursuant to the Securities Exchange Act of 1934.

COMPOSITION

The Committee shall consist of three or more independent directors who are periodically appointed by the Board. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine. In addition:

- Each member shall, in the judgment of the Board, meet the independence standards of the New York Stock Exchange, the Sarbanes-Oxley Act of 2002 and the Securities and Exchange Commission.
- Each member shall be financially literate as the Board of Directors interprets such qualification in its judgment. The Board shall determine whether any director serving on the Committee is an "audit committee financial expert," as such term is defined in the rules and regulations promulgated by the Securities and Exchange Commission.
- No director may serve as a member of the Committee if such director serves on the audit committees of more than three public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee and discloses this determination in the Company's proxy statement.
- No member of the Committee may receive any compensation from the Company other than (i) directors' fees which may be received in cash, stock options or other in-kind consideration, (ii) other deferred compensation for prior service that is not contingent on future service, and (iii) any other benefits that other directors receive for their service to the Company as a director.

- One of the directors shall be appointed Chair for a term to be determined by the Board and shall preside over the meetings of the Committee. In the event the Committee Chair is unable to serve as Chair for a specific meeting, he/she shall designate one of the Committee members to preside.

DUTIES AND RESPONSIBILITIES

Independent Auditor

- Evaluate the services of the independent auditor, or other independent auditors under consideration, and approve a firm to be engaged for the coming year. The Committee shall have the sole and ultimate authority and responsibility to evaluate and, where appropriate, terminate and replace the independent auditor. The independent auditor is ultimately accountable to the Committee.
- Review and approve proposed audit and non-audit services for the year, and any additional audit or non-audit services subsequently proposed, and assure that such services will not affect the independence of the auditor. Approve in advance any non-audit engagements of the independent auditor permitted by Section 201 of the Sarbanes-Oxley Act of 2002 and assure that approval is disclosed in the Company's periodic reports as required by law. Authority to pre-approve services can be delegated to one or more members of the Audit and Oversight Committee, but any pre-approval decision by the delegate must be reported to the full Audit and Oversight Committee at its next regularly scheduled meeting.
- Prior to the start of the annual audit, approve the audit plan and approve and negotiate the terms and estimated fees for the engagement following the independent auditor's presentation of the audit plan and objectives of the audit.

Take appropriate action, when necessary, to ensure the independence of the independent auditor.
